MINUTES FOR MAY CONTRACTOR SAFETY MEETING May 5, 2016

- John Lindsay (S3 SACOM Safety)
 - *Filled-in for Robert Necaie, who was unable to attend.
 - Presentation on Arm, Hand and Finger Safety.
- Daryl Kosturock (Bastion Safety)
 - Presentation on April 2016 construction safety findings, close calls and mishaps.
 - Discussion on SSC Annual (VPP) Safety Goals for 2016.
 - Discussion on SSC SHAKERS Committee and the “Who’s Working Safe” form.
 - Reminded contractors to use the SSC Construction Safety website to gain access to these presentations to flow-down information to workers.
- Question and answer session.
 - There were no questions.
 - There was one statement from an electrical contractor who shared that after purchasing a particular type of glove, their company has seen a reduction of hand related injuries drop to zero (0) since the gloves began to be issued, nearly two (2) years ago. A request was made for that contractor to submit a paper to NASA SMA on these results as a lessons learned, which may be implemented across the site.
