 - Presentation on May 2011 construction safety findings, close calls and mishaps.
- 8:50 – 9:00 AM Questions and answer session.

MINUTES FOR JUNE CONTRACTOR SAFETY MEETING June 2, 2011

- John Lindsey (Jacobs FOSC Safety)
 - Presentation on Heat Illness.
- Mike Rewis (NASA Safety)
 - Presented charts on DART and TCIR rates for NASA Direct Construction activities at SSC.
- Daryl Kosturock (Bastion Safety)
 - Presentation on May 2011 construction safety findings, close calls and mishaps.
- Questions and answer session.
 - There was one question on how important electrolytes added to drinks were to keep a worker from getting a heat related injury. John Lindsey answered that the very best way to hydrate is with plenty of water. In fact, too much flavored drinks throughout the day, such as Gatorade may actually be harmful. Electrolytes are helpful but, the best way is water.
