## **MINUTES FOR AUGUST CONTRACTOR SAFETY MEETING**

### **August 1, 2013**

- John Lindsay (Jacobs FOSC Safety)
  - Presentation on Hand Tool Safety.
- Daryl Kosturock (Bastion Safety)
  - Presentation on July 2013 construction safety findings, close calls and mishaps.
- Robert Southers (NASA Safety)
  - Spoke briefly about recent increased traffic rules enforcement at SSC and that organizations will be named during future SSC monthly Safety Management Review (SMR) meetings with Senior Management at SSC. To avoid bad publicity for your company and reduce the chances of motor vehicle accidents, remind workers to follow the traffic rules while on site.
- Kathy Cooper (NASA Safety)
  - Reminded contractors to speak-up if they find out-of-compliance issues so the issues may be properly addressed.
- Questions and answer session.
  - There were no questions.
