MINUTES FOR SEPTEMBER CONTRACTOR SAFETY MEETING September 3, 2015

- Robert Necaie (Jacobs FOSC Safety)
 - Presentation on Silica in Construction.
- Daryl Kosturock (Bastion Safety)
 - Presentation on August 2015 construction safety findings, close calls and mishaps.
- Question and answer session.
 - There was one (1) question;
 - 1) Q: Do we use the NASA Close Call Reporting System to report any hazard, such as broken signs, tripping hazards, holes in the road?

A: Yes, that is exactly what the system is used for. However, please ensure that a hazard that presents the potential for serious harm is immediately reported to a supervisor and/or addressed. Do not walk away from a serious hazard to submit a Close Call in hopes that someone may address it.
