MINUTES FOR OCTOBER CONTRACTOR SAFETY MEETING October 2, 2014

- Robert Necaie (Jacobs FOSC Safety)
 - Presentation on Slings and Rigging.
- Mike Rewis (NASA Safety)
 - Spoke on SSC current TCIR and DART rates compared to industry NAICS codes for construction as being below normal, despite record number of hours worked. Reminded contractors that good case management is a direct cause of this trend.
- Robert Southers (NASA Safety)
 - Reminded contractors about having employees follow traffic laws at SSC. Citations on construction contractor employees have been reported to be on the rise.
- Daryl Kosturock (Bastion Safety)
 - Presentation on September 2014 construction safety findings, close calls and mishaps.
- Questions and answer session.
 - There were no questions.
 - One contractor shared that they will be hosting a fall protection demonstration in front of the B Test Stand on October 7, 2014, at 9 AM. All are welcome to attend.
