6. DISCUSSION

This recall involves the DeWALT DWD110 and DWD112 3/8-inch variable speed reversing drills. The drills are yellow with black accents and have a power cable connected at one end. Only drills with date codes 2017-37-FY through 2018-22-FY are affected. If the drill is marked with an "X" after the date code it has already been inspected and is not affected. The model number is located on a label on the right side of the drill. The date code is etched into the body of the drill below the label. Consumers whose drill does not have a date code, or who cannot locate the date code should contact the company.

FASTTRACK

This recall was conducted, voluntarily by the company, under CPSC's Fast Track Recall process. Fast Track recalls are initiated by firms, who commit to work with CPSC to quickly announce the recall and remedy to protect consumers.

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to help ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals — contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to www.SaferProducts.gov or call CPSC's Hotline at 800-638-2772 or teletypewriter at 301-595-7054 for the hearing impaired.
